To whomsoever it may concern,

We highly recommend Mr. Tushar Kumar as a candidate for any position in the field of Deep Learning and Computer Vision. Mr. Tushar was operating with Xero Technologies as a Research Engineer and was responsible for training Deep Learning based object detection and classification model and Creating Large visual datasets for Indian Vehicular Classification.

Mr. Tushar has excellent Technical Skills. In addition, he is extremely organized and reliable. He can work independently, he is innovative, decisive, and creative in his approach. He is flexible and willing to work on any task that is assigned to him. Due to his perfect knowledge, a wide range of interests, deep professional education in the field of Deep Learning and Computer Vision, he was meeting our project demands & getting a perfect response.

If you have any further Qualifications with regards to his background or qualifications, please do not hesitate to connect.

We wholeheartedly recommend Tushar for a position within your organization and wish him all the best in future endeavors!

Regards,
